

Beaver Lake Watershed Partnership

Meeting Agenda • Monday, August 7, 2006

Marion Gerrish Community Center, Room 2 • 4:00-7:00 PM

A light supper of sandwiches, desserts, and beverages will be provided

- 4:00 **Welcome and introductions**
- 4:10 **Minimizing the Impact of Development on Water Resources**
Carolyn Russell, Environmental Quality Impact Planner
Planning, Prevention and Assistance Unit, Office of the Commissioner, NHDES
Outcome: After this interactive and hands-on session, Partners are conversant with minimum impact tools and technologies that they can apply to the Beaver Lake Watershed planning process
Note: please be sure to invite your local land use and planning peers including Planning Board, Zoning Board of Adjustment, and Conservation Commission members—be sure that they RSVP to mlt@naturesource.net by the close of business on Friday, August 4, 2006
- 5:15 **Break for supper and an opportunity for discussion, questions, and answers**
- 5:45 **Project status and next steps including Plan development, public input sessions, and Stream Team progress and success**
Outcome: The Partnership is up-to-date on all components of the Beaver Lake Watershed Partnership and how they fit together. The Core Group, and consultant team have clear direction on timeline and next steps
- 6:15 **Review this meeting's action items, assignments, and due dates and schedule next Partnership meeting**
Outcome: a draft list of action items identifying assignments including who will complete each task and by what date
- 6:25 **"Around the Watershed:" Partners should come to the meeting prepared to identify missing participants and provide information on geographic areas of concern in the watershed**
Outcome: any missing partners and sites of concern in the watershed are identified so that they can be addressed before the next meeting and throughout the planning process
- 7:00 **Adjourn**
