

Our Mission Statement: *The Beaver Lake Improvement Association (BLIA) is a private, non-profit organization that promotes education and awareness of ecological and environmental issues that concern Beaver Lake, and the Beaver Lake Watershed area. The BLIA is dedicated to providing education, information, and recreation to its members and the community; and to securing social and financial resources for the betterment of Beaver Lake, and the continued quality of life for both residents and visitors alike.*

2018 Membership Drive

Hello Neighbors,

The 2018 season is in full swing with docks going in and people enjoying the lake. That also means it is time for the annual Beaver Lake Improvement Association membership drive. Your support enables the team of volunteers to keep our lake clean and to assist with paying for the lake hosts that monitor boats entering and exiting our lake. Milfoil has become prevalent in Beaver Lake and the costs of removal are increasing. Your financial support will help with the management of milfoil and keep the growth under control.

This letter is to ask you for your support in our efforts to keep Beaver Lake a great place to live.

What does the BLIA do?

1. Coordinates and partially funds the NH Lake Host Exotic Weed Prevention Program at the boat launch.
2. Works closely with NH Department of Environmental Services and Derry to coordinate Milfoil remediation efforts.
3. Collects water samples and pays for water quality testing 4-5 times each year to monitor for pollution indicators through the NH DES VLAP Program.
4. Manages the volunteer Weed Watcher Program.
5. Hosts Spring and Fall clean-up days around the lake.
6. Publishes frequent email news briefs about lake issues and maintains the beaver-lake.org website.
7. Represents Beaver Lake on Town and State issues that affect the lake.

In order to continue this work we need your support. Many of you have been extremely generous over the past years and we certainly appreciate your help. The Board of Directors will ensure that your money is spent wisely.

Feel free to contact us at blia@beaver-lake.org

Please send your 2018 contribution to: BLIA PO BOX 133, East Derry, NH 03041. Make checks payable to: BLIA
or pay by credit card online at www.beaver-lake.org
